

PUBLIC NOTICE

The Baltimore City Department of Public Works is accepting public review and comments for a request to waive¹ Stormwater Management Quantity and Quality Requirements for BGE Project No. P01305, Spring Gardens Water Main Remediation Phase II.

Notice is hereby given that the public is invited to comment on the request by the Baltimore Gas and Electric Company, 750 East Pratt Street, Baltimore, MD 21202 for a waiver of Stormwater Management (SWM) quantity and quality control requirements for the Spring Gardens Water Main Remediation Phase II Project. Comments on the request for SWM Waivers must be received by 5:00 PM on August 19, 2010, to ensure consideration by the Department.

The Baltimore Gas and Electric Company is proposing to upgrade, replace and/or rehabilitate most of the existing water mains at its Spring Gardens Facility located in South Baltimore, Maryland. The Phase I work was completed in fall 2008. Phase II encompasses the remainder of the project and consists of approximately 5,060 feet of 4-16 inch diameter water mains and related appurtenances.

In order to meet the 2010 Baltimore City SWM Ordinance requirements for the proposed improvements, waivers for stormwater management water quality and quantity control are requested. The project will not create any new impervious surfaces. Water quantity waivers are requested since the project runoff is captured and conveyed through public storm drain systems into tidal waters, specifically the Middle Branch of the Patapsco River.

Report

A copy of the Construction Plans and Stormwater Management Waiver Request prepared by the engineering consultant, Rummel, Klepper & Kahl (RK&K) may be obtained by contacting the RK&K Project Manager Mr. James Kiladis by phone at 410-462-9251 or email at jkiladis@rkk.com.

Waiver Comments or Questions:

Notices regarding future actions on this project will be posted on the website of the Department of Public Works ([http://www.baltimorecity.gov/Government/Agencies/Departments/Public Works.aspx](http://www.baltimorecity.gov/Government/Agencies/Departments/Public%20Works.aspx)).

Questions or comments on the project waivers may be submitted during the review period by mail to Mr. Warren Ware, Baltimore City Department of Public Works (DPW), Bureau of Water and Wastewater, Surface Water Management Division, 3001 Druid Park Drive, Baltimore, MD 21215, or by email to warren.ware@baltimorecity.gov.
